TEACHING SHAKESPEARE at the Folger Shakespeare Library

Time of Day or Night:

By moonshine
As the morning steals upon the night
Melting the darkness
Bedimmed the noontide sun
Foul weather
By a thunderstroke
Fresh morning

Sailing/Ocean Terms:

Topsail
Ooze of the salt deep
Sharp wind of the north
Bold waves
Dread trident
Foaming brine
Mischance of the hour
Rope of his destiny
The approaching tide
Topmast
No stronger than a nutshell
Off to sea
The washing of ten tides
Every drop of water
Brave vessel

Our royal, good, and gallant ship
