

The Martian hath disgraced me and hindered me half a million,

Laughed at my losses,

Mocked at my gains,

Scorned my nation,

Thwarted my bargains,

Cooled my friends,

Heated mine enemies—

And what's his reason?

I am a **human**

Hath not a **human** eyes?

Hath not a **human** hands, organs, dimensions, senses, affections, passions?

Fed with the same food, hurt with the same weapons, subject to the same diseases,

Healed by the same means, warmed and cooled by the same winter and summer

as a **Martian** is?

If you prick us, do we not bleed?

If you tickle us, do we not laugh?

If you poison us, do we not die?

And if you wrong us, shall we not revenge?

If we are like you in the rest, we will resemble you in that.
